Professional Summary

Project Coordinator with 6+ years of experience across client delivery, creative operations, distributed teams, and technical production. Has coordinated international design and development projects, managed requirements and milestones, kept stakeholders informed, tracked deliverables, and handled feedback through final delivery. Current game-production work adds structured experience with sprints, backlogs, releases, and cross-functional dependencies, while earlier team-lead roles demonstrate the ability to keep people and workstreams organized under deadline pressure.

Core Competencies

Project Coordination: Requirements gathering, task breakdown, schedule tracking, milestone management, deliverable follow-up, scope support

Communication: Client coordination, stakeholder updates, feedback management, cross-functional communication, remote collaboration

Delivery Operations: Resource allocation, workload tracking, quality assurance, documentation discipline, issue follow-up, workflow improvement

Methods & Tools: JIRA, Agile/Scrum, sprint planning, backlog prioritization, SDLC, build and release coordination, Unity (basic)

Professional Experience

Game Producer April 2026 – Present
Game District *Lahore, Pakistan (On-site)*

- Coordinate schedules, priorities, dependencies, and release milestones across designers, developers, artists, and QA.
- Support sprint planning and backlog prioritization so teams have clear near-term work and delivery expectations.
- Track production progress from concept through build, release, and live operations, following up on blockers and handoffs between disciplines.
- Review post-launch analytics and KPIs with the team to support follow-up work and content updates.

Founder January 2021 – Present
Amaanity *Lahore, Pakistan (Remote)*

- Coordinate end-to-end delivery for international design, development, and content projects handled by a distributed team.
- Gather requirements from 300+ clients, clarify scope and deadlines, route tasks to appropriate contributors, and manage revision cycles.
- Track workload and delivery quality across remote developers and design specialists while balancing overlapping client commitments.
- Maintain final quality checks before submission; the business has accumulated 200+ five-star reviews and Fiverr Level 2 status.

Project Coordinator June 2025 – April 2026
Stichting Creating Talents *Amsterdam, Netherlands (Remote)*

- Coordinated cross-functional design and development projects from initial requirements through international delivery.
- Converted client goals into actionable tasks, established milestones, and tracked deliverables across distributed contributors.
- Facilitated communication between designers and developers to resolve bottlenecks and keep design intent technically feasible.
- Managed client feedback loops and monitored outputs against agreed quality requirements before delivery.

Creative Team Lead April 2025 – March 2026
AS Group of Companies *Lahore, Pakistan*

- Coordinated the daily workload of designers and content managers across internal brands and external client projects.
- Set priorities, delegated tasks, followed up on deadlines, and reviewed work before delivery.
- Handled client briefs and feedback, translating comments into clear changes for the production team.

Senior Graphics Designer April 2024 – March 2025
AS Group of Companies *Lahore, Pakistan*

- Handled recurring creative requests across internal platforms and maintained consistent visual standards.
- Created reusable templates and asset workflows that made recurring requests easier to coordinate and complete.

Intern Unity Developer September 2023 – December 2023
OZI Technology *Lahore, Pakistan*

- Worked within a development team to build, debug, and optimize Unity game features.
- Developed practical understanding of development dependencies, iteration, and technical handoffs that supports coordination with software teams.

Creative Manager June 2022 – April 2023
Poem Solutions Limited *London, United Kingdom (Remote)*

- Converted requirements into creative briefs for a remote team of visual artists.
- Set timelines, assigned tasks, followed progress, and ensured content was ready for publishing on schedule.
- Reviewed outputs and coordinated corrections before final release.

Senior Graphics Designer & E-commerce Specialist April 2020 – April 2021
Mauj Group *Lahore, Pakistan*

- Coordinated recurring storefront content across Daraz, Shopify, Facebook, and Instagram, including listings, visuals, and inventory alignment.

Graphics Designer & E-commerce Specialist April 2019 – March 2020
Mauj Group *Lahore, Pakistan*

- Produced social content, banners, and product listings while supporting day-to-day e-commerce operations across online channels.

Education

Bachelor's Degree in Computer Science November 2021 – February 2026
National College of Business Administration & Economics (NCBA&E) *Lahore, Pakistan*

Key Achievements

- Coordinated remote international projects across Pakistan, the Netherlands, and the UK simultaneously.
- Served 300+ international clients and maintained 200+ five-star reviews as a Fiverr Level 2 Seller through Amaanity.
- Promoted from Senior Graphics Designer to Creative Team Lead at AS Group of Companies within 12 months.
- Led the team to a Runner-Up finish (2nd of 55 teams) at Game District's 3-day AI-thon; served as Game Producer for a 2D kids' toy-smashing game developed with AI tools across the production pipeline.
