Professional Summary

Team Lead and delivery-focused people manager with 6+ years of experience across creative teams, client work, project coordination, digital production, and mobile games. Progressed from individual contributor roles into creative management, remote-team ownership, formal team leadership, and cross-functional production. Experience includes hiring and allocating remote specialists, coaching designers and content staff, prioritizing workloads, reviewing quality, handling client feedback, and coordinating technical and creative contributors through deadlines and releases.

Core Competencies

People Leadership: Team supervision, mentoring, coaching, delegation, workload prioritization, performance feedback, quality review

Team Operations: Resource allocation, workflow improvement, deadline management, remote team coordination, hiring and contributor selection

Stakeholders: Client communication, requirements gathering, feedback handling, expectation management, cross-functional alignment

Delivery Context: Agile/Scrum, sprint planning, JIRA, SDLC, game production, LiveOps, build and release coordination

Professional Experience

Game Producer April 2026 – Present
Game District *Lahore, Pakistan (On-site)*

- Coordinate designers, developers, 2D/3D artists, and QA around shared production goals, milestones, and release expectations.
- Run sprint planning and backlog prioritization, making work priorities and dependencies clear across disciplines.
- Identify production bottlenecks, improve asset/build workflows, and keep delivery moving when handoffs span multiple teams.
- Use LiveOps metrics and post-launch analytics to align follow-up work on updates and feature changes.

Founder January 2021 – Present
Amaanity *Lahore, Pakistan (Remote)*

- Built and lead a distributed team of developers and design specialists delivering work for 300+ international clients.
- Recruit, vet, assign, and manage contributors based on skill fit, project scope, workload, and deadline requirements.
- Set delivery expectations, review work as the final quality gate, and manage revisions before client submission.
- Sustained 200+ five-star reviews and Fiverr Level 2 status through consistent team output and client communication.

Project Coordinator June 2025 – April 2026
Stichting Creating Talents *Amsterdam, Netherlands (Remote)*

- Kept distributed designers and developers aligned on project goals, timelines, requirements, and client feedback.
- Facilitated communication across creative and technical contributors and followed up on blockers affecting delivery.
- Coordinated milestones and reviewed outputs against client expectations before final handoff.

Creative Team Lead April 2025 – March 2026
AS Group of Companies *Lahore, Pakistan*

- Promoted to lead the internal creative department, managing designers and content managers across internal and client-facing work.
- Delegated workloads, set priorities, coached team members, and conducted design critiques to raise consistency and delivery quality.
- Balanced concurrent deadlines and ensured campaigns and client deliverables moved through the production pipeline on schedule.
- Represented the team in client requirement and feedback discussions, then translated decisions into clear work for contributors.

Senior Graphics Designer April 2024 – March 2025
AS Group of Companies *Lahore, Pakistan*

- Raised consistency across digital brand work by establishing reusable visual standards and production templates.
- Created more efficient asset workflows and demonstrated the ownership that led to promotion into Creative Team Lead.

Intern Unity Developer September 2023 – December 2023
OZI Technology *Lahore, Pakistan*

- Worked collaboratively with a development team to build, debug, and optimize Unity game features.
- Developed technical fluency that supports leadership of mixed creative and software teams.

Creative Manager June 2022 – April 2023
Poem Solutions Limited *London, United Kingdom (Remote)*

- Managed a remote team of visual artists, translating incoming requirements into clear briefs and work assignments.
- Set production timelines, assigned tasks based on strengths, monitored progress, and reviewed work before publishing.
- Maintained delivery discipline across a remote workflow without losing consistency in creative output.

Senior Graphics Designer & E-commerce Specialist April 2020 – April 2021
Mauj Group *Lahore, Pakistan*

- Took on broader responsibility for storefront presentation and e-commerce operations across Daraz, Shopify, Facebook, and Instagram.
- Progressed from the earlier Graphics Designer & E-commerce Specialist role into senior-level ownership.

Graphics Designer & E-commerce Specialist April 2019 – March 2020
Mauj Group *Lahore, Pakistan*

- Delivered day-to-day design and e-commerce work across digital channels, building the operational foundation for later senior and leadership roles.

Education

Bachelor's Degree in Computer Science November 2021 – February 2026
National College of Business Administration & Economics (NCBA&E) *Lahore, Pakistan*

Key Achievements

- Promoted from Senior Graphics Designer to Creative Team Lead at AS Group of Companies within 12 months.
- Served 300+ international clients and maintained 200+ five-star reviews as a Fiverr Level 2 Seller through Amaanity.
- Founded and grew Amaanity into a multi-person remote operation delivering design, development, and content work for international clients.
- Led the team to a Runner-Up finish (2nd of 55 teams) at Game District's 3-day AI-thon; served as Game Producer for a 2D kids' toy-smashing game developed with AI tools across the production pipeline.
